RE: Medicare Supplement Insurance
Long Term Care Insurance

Attached is a list of licensed insurance companies and health maintenance organizations (HMO's) selling Medicare Supplement, Medicare + Choice, and Medicare Select policies. We have also included information on the Medicare Savings Program as well as a listing of licensed insurance companies selling long term care (LTC) policies. This information can be helpful when purchasing these types of policies. For your convenience, you may access this booklet on the Department's website at www.aldoi.gov.

This list was prepared as of April 30, 2006, identifying those companies desiring to be listed. There may be other companies selling these products that have had name changes or do not wish to be included in this publication. Companies may withdraw or stop selling their policies but this does not affect benefits in policies previously issued to a consumer.

Should you wish to cancel/terminate your current coverage, please consider the advantages and disadvantages of buying new coverage. An agent is prohibited from selling a replacement policy without your signature. **Do not cancel your existing policy until you review the new policy. Take advantage of the "free look" provision.**

If you have any questions and/or are contacted by an agent or company not listed, contact the Consumer Service Division at (334) 241-4141.

Sincerely,

Walter A. Bell
Commissioner
