LOCKBOX 704 PROCESSING SPECIFICATIONS

A. Overview.

Approximately 20,000 applications are processed annually for the initial appointment and/or license of producers, service representatives, adjusters, business entities, and Surplus Line Brokers. This volume is expected to remain steady from year to year. An online application process by credit card is scheduled to be instituted in 2008. Initiation of online processing may significantly decrease the volume of applications processed by the lockbox. The amount of fees collected in FY 2005 was approximately \$920,000.00, and the same or a small increase is anticipated in FY 2006. Applicants are instructed to mail their application forms, including all required documents and payment to the lockbox address. Some applicants may send their filings via courier express if they feel it will expedite the application process. The bank must provide for both types of delivery; remittances must be quickly routed to proper lockbox processing assignment area. As the recipient of mail, the bank is responsible for returning all certified mail return cards to the originator. Return receipt cards should not be left attached to envelopes or included in items forwarded to the Department.

B. Processing Standards.

The Bank shall:

1. Collect mail ... [same as in Exhibit C-1]
2. Process remittances ... [same as in Exhibit C-1]
3. Verify checks/application forms for the proper information:
 - a. Dollar amount:
 - Should the written and numeric figures of the check not agree, the bank should process the application using the written amount.
 - Should the amount of the check not agree with the amount shown on the application, the amount of the check is to be utilized and the remittance processed to completion, if the funds equal or exceed the amount shown on the application. The amount of the check must then be written and circled on the application and the applicant's name on the check.
 - Should any checks still be in question, the remittance should be halted, and the remittance(s) and application form(s) forwarded under separate cover to the department.
 - Verify the amount of the check is equal or greater than amount of the fee listed on the application.
 - Accept only the forms that are attached in Appendix A of this Exhibit C-3.
 -
 - b. Accept only Insurance Company checks for forms AL-1-TSR, AL2-A and AL2-B
 - c. Date [same as in Exhibit C-1]
 - d. Acceptable payee [same as in Exhibit C-1]
 - e. Blank Payee [same as in Exhibit C-1]
 - f. No check enclosed:
 - Envelopes received with no check (payment) are to be stamped "No Payment Enclosed." They should then be forwarded to the Department without processing.
