

FILING INSTRUCTIONS

SERVICE CONTRACTS

Unless exempt, all initial filings as a provider of service contracts under Title 8, Chapter 32, Code of Alabama, 1975 (the “Act”), must be registered by the Alabama Department of Insurance prior to the provider selling or offering to sell service contracts in Alabama. Once an initial filing has been registered with the Department, a numbered registration certificate will be issued to the provider. **This provider number should be used in all future correspondence and filings under the Act.**

Service contract forms proposed to be used by the provider after the issuance of a provider number require prior approval and are submitted to the Department on a “prior approval” basis. Forms submitted are subject to an Order of Disapproval at any time [Section 8-31-10(a), Code of Alabama 1975].

To be accepted by the Department as “filed”, all filings must be complete as defined below:
