Part 1. Solicitation; Description of Services; Qualifications.

1.1. Solicitation of proposals. The State Fire Marshal's Office, a division of the Alabama Department of Insurance (DOI), a department of the state government of Alabama, solicits proposals from qualified professionals or professional organizations to provide veterinarian services to its service canines.

DOI desires to enter into a contract to furnish the Services described in this Request for Proposals (RFP) during the period beginning on July 1, 2020, and ending on June 30, 2022, with up to three (3) one-year renewal options, to be exercised at the sole option of DOI, ending June 30, 2023, June 30, 2024, and June 30, 2025. If selected, the Respondent shall execute a contract with DOI in the form of Exhibit "A." The final contract will include a maximum dollar amount determined by the DOI to be the maximum amount that can be invoiced to DOI. Contracts may be awarded to multiple qualified Respondents as a result of this RFP.

1.2. Description of Services. The following Services shall be provided under a contract awarded as a result of this RFP on an as-requested or as-needed basis:

1.2.1. On behalf of and as directed by the DOI, the contractor will provide professional veterinary services for canines used by the State Fire Marshal's Office. As such, the contractor will provide one or more of the following services upon the request of and as directed by the DOI:

1.2.1.1. Routine veterinary care for DOI service canines as appropriate for individual life stages and circumstances of each service animal, including but not limited to: periodic check-ups, physical examinations, vaccinations, test, medications, and laboratory work as determined necessary by the professional service provider.

1.2.1.2. Routine surgical procedures, including but not limited to anesthesia and hospitalization or overnight stays for medical treatment associated with the same.

1.2.1.3. At least an annual physical examination, but depending on age and/or condition, semi-annual or more frequent examinations may be required as deemed necessary by the service provider.

1.2.1.4. Services may also include treatment, surgery, anesthesia, hospitalization, and/or medication for illness, disease, and/or emergencies that occur during the course of an awarded contract as determined necessary by the professional service provider.

1.2.1.5. Services outside the realm of the normal course of care will be treated as an emergency and will be paid as such because of the difficulty of anticipating every possible veterinary service for each situation.

1.2.1.6. Such other services within the scope of the described services as may be determined by the DOI.

1.2.2. The services must be made available in convenient locations to minimize the travel time and cost to maintain their health. Therefore, responding veterinarians must be located within 20 miles of the canines' base. The current number, breed, location, age and weight of each canine is listed below:

<u>Number</u>	<u>Breed</u>	<u>Location</u>	<u>Age</u>	<u>Weight</u>
1	Belgian Malinois	Anniston	2.5 yrs	63 lb.

2.3.17. Other information. The proposal may contain such information not specifically required by this RFP as the Respondent may elect to submit for the DOI's consideration.

Part 3. Proposal Format.

3.1. Legibility and organization. The proposal must be typed or printed by means of word processing software. It should clearly state the RFP to which the response is directed. The proposal shall identify the content requirements in Section 2.3 above by subsection number. To the extent a particular subsection in Section 2.3 is not applicable, that subsection should be identified with a notation to the effect that it is not applicable.

3.2. Supporting documents and materials. A proposal must include copies of all documents or other materials Respondent desires the DOI to consider in evaluating the proposal. Each document or item submitted shall be identified to a specific portion of this RFP by citation to the particular subsection number. The DOI may reject and not consider any documents or other materials that are not included or submitted with the proposal.

3.3. Claim of protection for proprietary information. Proposals will become a public record as provided in Section 5.8. To the extent a Respondent deems any specific portion of its proposal to include a "trade secret" as defined in Ala. Code § 8-27-2(1), such portion(s) shall be clearly identified. Said designation shall not be binding on the DOI but the DOI will review and consider the designation. Wholesale designation of a proposal or substantial parts of a proposal as "trade secrets" shall not be accepted by DOI.

3.4. Binding. It is requested that the proposal and all supporting documents or materials be bound on the left in a manner that is secure, does not obscure the text, and allows the proposal to lie reasonably flat when open. Use of a three-ring binder is acceptable.

3.5. Submittal letter. The first page of the proposal must be a submittal letter signed by the Respondent, if an individual, or by an authorized representative of a Respondent business entity, which includes the following:

The representations and information in this proposal are true and correct as of the date of this proposal. The submitting person or entity represents that it is ready and able to execute a contract if a contract is awarded based on this proposal. This proposal shall remain firm and be valid through the date of the contract resulting from this RFP if

awarded. The submitting person or entity understands that DOI's contract form is not negotiable and will not be revised unless DOI determines, in its sole discretion, a revision would be in the best interests of DOI and the State of Alabama.

The undersigned represents that the only person or persons, entities, or parties interested in the proposal as principals are named in this proposal. This proposal is made without collusion with any other person, persons, company or parties submitting a proposal. This proposal is in all respects fair and made in good faith without collusion or fraud. If the submitting party is a business entity, the undersigned has full authority to bind the entity in a contract with DOI.

The submitting person or entity acknowledges that a material false statement in or omission from this proposal and all material submitted with this proposal may cause rejection of the proposal or the withholding of a contract, or may constitute a breach of an awarded contract.

Part 4. Submission of Proposal.

4.1. Delivery format. Respondents must submit one original, unredacted response in printed form plus one identical electronic copy in PDF format on either Compact Disc (CD or DVD) or USB Drive. The original proposal, including the submittal letter required by Section 3.5 containing an original signature in ink, and the electronic copy of the proposal shall be sent to the DOI in a sealed envelope separate from the delivery envelope, addressed as provided in Section 4.2 below. At its election, the Respondent may include a brief cover letter identifying the sealed envelope as containing a proposal in response to the RFP or the proposal envelope may be identified as containing a proposal in response to this RFP. Respondent may also submit an electronic redacted copy of the Response for public information purposes. The redacted copy must be included and denoted as such in the submission. Redactions will be considered as outlined in Section 3.3.

4.5. Facsimile or electronic response. A proposal submitted by telephonic facsimile or electronic means other than the provisions of 4.1 will be rejected as non-responsive.

5.7. Waiver of minor deviations. In its sole discretion, the DOI may waive minor deviations from the requirements expressed in this RFP.

The Alabama Department of Insurance of 201 Monroe Street, Suite 502, Montgomery, Alabama 36104 ("Department"), and

("Contractor") agree as follows:

1. EFFECTIVE DATE; TERM.

1.1 The Effective Date of this Contract is the later of July 1, 2020, or approval of the Governor of Alabama, whichever is later. Contractor acknowledges and understands that this Contract is not effective until it has received all requisite state government approvals and Contractor shall not begin performing services hereunder until so notified. Contractor is entitled to no compensation for work or services performed prior to the effective date of this Contract.

1.2 Unless sooner terminated as provided in Section 6, the Term of this Contract is two (2) years, ending June 30, 2022, with up to three (3) one-year renewal options, to be exercised at the sole option of DOI, ending June 30, 2023, June 30, 2024, and June 30, 2025.

1.3 DOI shall have the sole option to exercise any renewal options pursuant to this Contract. The option for said renewal terms shall be exercised by DOI giving Contractor not less than thirty (30) days' notice of intention to so renew prior to the expiration of the initial term of the Contract.

1.4 The holding over of this Contract, excluding any exercised renewal options, will be considered a month-to-month extension and all other terms and conditions shall remain in full force and effect. If for any reason this Contract has not been terminated and at the end of the initial contract period Contractor continues to provide services to DOI as designated hereunder, this Agreement will continue on a month-to-month basis. However, this Contract may not continue on a month-to-month basis beyond one year from the conclusion of the initial contract term.

2. SERVICES.

2.1 Commencing on the Effective Date and continuing during the Term, Contractor shall provide professional veterinarian services to DOI for service canines belonging to DOI in accordance with the attached specifications, hereby incorporated by this reference as Exhibit A. Contractor must satisfy the specifications as outlined in Exhibit A and shall be responsible for complying with the requirements set forth therein.

2.2 Contractor shall only commence Services upon the specific direction of the Department.

3. PAYMENT FOR SERVICES AND EXPENSES.

3.1 The total amount invoiced by Contractor for all Services and Expenses during the operation of this contract shall not exceed \$ _____, subject to the availability of State funds. If, during the Term, the amount available for funding of this Contract in any one fiscal year is reduced by legislative action, proration, or other action of State government beyond the control of the Department, the maximum amount payable under this Contract in the fiscal year will be adjusted accordingly.

3.2 The total amount expressed in Subsection 3.1 is not an agreement by the Department that tasks or projects which will be assigned to Contractor from time to time during the Term will authorize invoices from the Contractor aggregating such total amount.

3.3 The Department shall not pay any costs for services or expenses not within Subsection 3.1 and shall not prepay for the services or expenses.

3.4 Contractor shall submit a detailed invoice for payment at the conclusion of each month during which services are provided which reflects periods of service rendered by dates, an itemized list of services rendered by employee name, applicable rates as set forth above, and a total amount due. The billing documentation must also clearly specify in detail services that have been rendered pursuant to this agreement, the type of service, units or services, dates of service, any applicable codes, and any other relevant or necessary information as directed by DOI. The invoice will use the applicable rates as set forth in Exhibit A.

3.5 Contractor will send each invoice and a remittance copy of the invoice to the attention of Shawndala Harrison at the Department addressed to Post Office Box 303351, Montgomery, Alabama 36130-3351, if sent by any delivery method of the United States Postal Service, or addressed to RSA Tower Suite 502, 201 Monroe Street, Montgomery, Alabama 36104, if delivered by hand or sent by commercial delivery service. To the extent Contractor may be performing Services on several tasks or projects, each task or project shall be separately invoiced.

3.6 Amounts appearing on a non-conforming invoice will not be paid until Contractor has submitted a conforming invoice.

3.7 The Department contact person for matters relating to invoicing and payment processing for this Contract shall be Shawndala Harrison, Department Accountant [(334) 241-4433 or Shawndala.Harrison@insurance.alabama.gov].

3.8 Contractor will promptly refund or credit within thirty (30) calendar days any erroneously paid funds that are not expressly authorized by the Department.

3.9 In its discretion, the Department may withhold payment of invoices if Contractor has failed to complete a task or project or submit an examination report within the time parameters established by the Department for the task or project until such time as the task or project has been completed, the report has been submitted, or the Department is otherwise satisfied about the status of Contractor's performance.

3.10 Upon termination of this Contract for any reason, payments under the Contract shall cease, except Contractor shall be entitled to payments for periods or partial periods that occurred prior to the date of termination and for which the Contractor has not yet been paid up to the limits of the Contract.

3.11 DOI shall issue payment to Contractor through the State Comptroller's Office in a form approved by both parties, not inconsistent with state law, and in compliance with the State Department of Finance's Fiscal Policies and Procedures Manual. Contractor is required to register in STAARS [<http://procurement.staars.alabama.gov>] prior to performing any work under this Contract. Contractor has an affirmative duty to bill accurately and timely.

4. SUBCONTRACTORS; ASSIGNMENT.

4.1 All Services shall be performed by individuals either employed by the Contractor or otherwise engaged under separate contract with the Contractor and subject to the direct supervision and responsibility of the Contractor. All individuals to provide services on behalf of the Contractor must have been listed in the proposal submitted by the Contractor.

4.2 Contractor's interest in or obligations under this Contract may not be assigned.

5. INDEPENDENT CONTRACTOR.

5.1 Contractor's status under this Contract is strictly that of independent contractor and not as an employee of the Department. The Department does not reserve any right to exercise the right of control over the means and method by which Contractor performs the Services. The Department will not provide fringe benefits, such as health insurance, paid vacation, or other employee benefits for the benefit of the Contractor or any individuals employed or otherwise engaged by the Contractor. The Contractor and individuals employed or otherwise engaged by Contractor are not entitled to benefits of the State Personnel System or the State Merit System laws.

5.2 Contractor shall account for and remit all taxes relating to its performance under this Contract, including but not limited to, income taxes, employee wage withholding for income tax and FICA taxes, and any other payroll taxes. Contractor is solely responsible for any benefit plans Contractor may provide for the individuals it employs or otherwise engages.

5.3 At all times during the Term, Contractor shall, at its sole cost and expense, maintain in force the following types of insurance:

5.3.1 Workers' compensation insurance for those individuals acting on behalf of Contractor performing Services under this Contract who are subject to the workers' compensation laws.

5.3.2 Vehicle liability insurance covering the individual in the individual's operation of, or responsibility for the operation of, the vehicle, for any individual acting on behalf of Contractor using a vehicle (including any rental vehicle) in performance of the Services under this Contract. If requested by the Department, Contractor will have the Department and the State of Alabama shown as additional named insureds on such vehicle liability insurance policy or policies and shall provide evidence of any endorsement to that effect.

6. TERMINATION.

6.1 If not sooner terminated, this Contract terminates effective on the Termination Date.

6.2 The Department and Contractor may mutually agree in writing to terminate this Contract before the Termination Date, upon such terms and conditions as the termination agreement may provide.

6.3 Either the Department or the Contractor may terminate this Contract due to a claimed breach of a material term of the Contract by the other. In such event, the terminating party shall give the other a written notice specifying the nature and circumstances of the claimed breach and shall afford a reasonable period of not less than thirty (30) days within which to cure the breach. If the breach shall not have been cured within the stated cure period, the termination shall be effective as of the termination date specified in or determined from the termination notice.

6.3.1 In the event Contractor exercises this termination right by identifying a claimed material breach on the part of the Department which remains uncured after notice, other than failure of the Department to pay for the Services, Contractor shall complete performance of the Services on any task or project in process at the time of the termination notice unless the Department specifically agrees in writing that Contractor is relieved of the obligation to complete performance.

6.3.2 In the event the Department exercises this termination right by identifying a material breach on the part of the Contractor which remains uncured after notice, the Department may, upon such reasonable terms and in such manner as it deems appropriate, obtain substitute services similar to the Services remaining unperformed due to the breach and termination of this Contract. In such event, Contractor will be liable to the Department for any amounts incurred by the Department which exceed amounts that would have been paid under this Contract but for the breach and termination, plus court costs and attorneys' fees to the extent that Contractor's obligation must be enforced

through the court system. The Department may offset such amounts against amounts, if any, due to Contractor but unpaid as of the termination of this Contract.

6.3.3 Without limitation, the Department may deem the existence of a material false representation or statement in, or the omission of material facts from, Contractor's response to the Request for Proposal that resulted in this Contract, including documents or information submitted with the response, to be a ground in the nature of a material breach justifying termination of this Contract.

6.4 The Department may cancel this Contract by giving Contractor not less than thirty (30) days written notice in advance of the termination date in the event that legislative action or other action of the State government, including, but not limited to, availability of funds for this Contract, makes provision of the Services impossible or unnecessary. In such event, Contractor shall be paid any amounts due for Services performed to the termination date.

6.5 The Department and the State of Alabama have no liability to Contractor for consequential or other damages beyond amounts, if any, due but unpaid for Contractor's performance of the Services, and Contractor waives any right to seek such damages and covenants not to take legal action of any type to assert or recover such damages.

At its election, upon receiving notice of any claim for damages within the scope of this Section, the Department may tender said claim to Contractor to furnish a defense of the Department at Contractor's expense in the jurisdiction where the claim is asserted.

8.7 **Notice of Immunity.** As a department of State government, the Department is immune from being made a defendant in any court of law or equity by operation of Art. I, § 14, Ala. Const. 1901 (Recomp.), which immunity is not waivable and is not waived by any provision of this Contract.

8.8 **Contract not debt of the State.** This Contract does not create or constitute a debt against or incurred by the State of Alabama for purposes of Art. XI, § 213, Ala. Const. 1901 (Recomp.).

8.9 **Board of Adjustment.** In the event of any dispute between the parties, senior officials of both parties shall meet and engage in a good faith attempt to resolve the dispute. Should that effort fail and the dispute involves the payment of money, Contractor agrees that its sole remedy is the filing of a claim with the Board of Adjustment for the State of Alabama as provided in Ala. Code §§ 41-9-60, *et seq.*

8.10 **Alternative Dispute Resolution.** For any and all other disputes arising under the terms of this Agreement which are not resolved by negotiation, the parties agree to utilize appropriate forms of non-binding alternative dispute resolution including, but not limited to, mediation. Such dispute resolution shall occur in Montgomery, Alabama, utilizing where appropriate, mediators selected from the roster of mediators maintained by the Center for Dispute Resolution of the Alabama State Bar.

8.11 **Entire Agreement.** This Contract contains the entire agreement of the parties. Any oral or written statements concerning the subject matter of this Contract which precede execution of this Contract by the parties are merged into the terms of this Contract, which alone expresses the intent of the parties, and the Department and Contractor warrant, each to the other, that they have not relied upon any preceding oral or written statements not set forth in this Contract in deciding to enter into this Contract.

8.12 **Amendment.** This Contract may be modified or amended by a writing signed by both parties. To the extent the laws of the State of Alabama require that the Department amend this Contract to include additional language or terms, Contractor agrees to execute any such amendment upon the request of the Department.

8.13 **Severability.** If any provision of this Contract shall be held invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Contract is invalid or unenforceable, but by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

8.14 **Waiver of Contractual Right.** The failure of either party to enforce any provision of this Contract shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Contract. The Department does not waive any privileges, rights, defenses, remedies, or immunities available to the Department as an agency of the State of Alabama or otherwise available to the Department. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities detailed in this Contract or otherwise available to the Department by law will not constitute a waiver of said privileges, rights, defenses, remedies, or immunities, or be considered a basis for estoppel.
