REQUEST FOR PROPOSAL

Part I. General Information

Introduction. The Alabama Department of Insurance (DOI), an agency of the State of Alabama, issues this Request for Proposal (RFP) to establish a pool of qualified individuals or firms for the services described in this RFP. DOI is soliciting responses from qualified respondents to provide the DOI insurer market conduct examination services for all types of insurers.

1.1. Contract Process.

DOI will review and evaluate the proposals as described in this RFP and select a pool of qualified Respondents. DOI will execute Contracts with each of these selected individuals or firms.

The basic Contract is attached to this RFP as Exhibit A. The boilerplate contract provisions/terms and conditions are not negotiable. Due to the time constraints in contracting with Respondents, firms that are unable to agree to the Contract should not submit proposals in response to this RFP. The Contract with each qualified firm will establish hourly rates for designated staffing positions. Price quotes for twelve (12) months and twenty-four (24) months must be included in the response to this RFP. Respondents must commit to not-to-exceed pricing through the period ending September 30, 2010, and September 30, 2011, respectively. Once a Contract is signed, this RFP is incorporated into the Contract. The final contract will be a term for twelve (12) months or twenty-four (24) months at the Department's discretion. Please note the attached basic contract is representative only. Respondents are not expected to complete any items within the body of the attached basic contract.

Respondents are cautioned to read the terms, conditions, and specifications carefully. Award will be based on Respondent's responses to these specifications. Failure to provide the required information with the RFP response will automatically disqualify the response from consideration for award in connection with this transaction.

RFP RESPONSES MUST BE RECEIVED BEFORE THE INDICATED DEADLINE:

Submit Sealed Responses to one of the following:

<u>Mail:</u> Kathleen Healey Alabama Department of Insurance P. O. Box 303351 Montgomery, AL 36130-3351	<u>Hand Delivery or Courier to:</u> Kathleen Healey Alabama Department of Insurance 201 Monroe Street, Suite 1700 Montgomery, AL 36104
--	---

Respondents must submit an original and three (3) copies of their RFP response. Respondents must sign in ink on page 1 of this RFP in the space entitled "AUTHORIZED SIGNATURE." Failure to manually sign this space on page 1 of the RFP will automatically disqualify the response.

A response to this RFP must include all of the information requested. Any submitted responses and all attachments will be referred to in this RFP as "Proposal," "Response" or "Bid Response."

3.1. Compliance with Requirements. In submitting bids in response to this RFP, all Respondents agree to comply with all requirements of this RFP and any resulting contract, including the following RFP Parts: General Information, Specifications, Terms and Conditions, and Respondent Response Format. All parts of this RFP are incorporated as part of any resulting contract for all purposes. A Respondent may respond to more than one RFP for services to the DOI covering the same time period. Please note the DOI anticipates only entering into one contract with any one potential contractor, thus in such case a necessary adjustment would have to be made to the basic Contract in Section 1 regarding the description of services to be performed. Therefore, it is acceptable for a respondent to submit more than one RFP, with the understanding that only one contract will be issued as described above.

3.2. Award of Contract. A response to this RFP is an offer to contract with DOI based upon the terms, conditions and specifications contained in this RFP. **Offers and RFP responses do not become part of a contract or agreement with DOI unless and until they are accepted and agreed to by DOI.** DOI reserves the right to make any corrections or include additional requirements in DOI's contract prior to execution that is necessary for DOI's compliance, as an agency of the State of Alabama, with all state and federal requirements.

3.3. Rejection of Bids; Open Records; Reissuance. DOI reserves the right to reject, in its sole discretion, any or all RFP responses and all or any part of any response and waive minor technicalities. DOI will award a contract, if any, to serve the best interests of DOI and the State of Alabama. DOI's waiver of any deviations in any response will not constitute a modification of this RFP and will not preclude DOI from asserting all rights against Respondent for failure to fully comply with all terms and conditions of this RFP. All RFP responses become the property of DOI. DOI may reissue another RFP for the services as described in this RFP or similar services at any time.

3.4. Pricing. All pricing must be submitted in accordance with the Pricing Form included in Part IV of this RFP and must comply with these requirements. Responses subject to unlimited price increases will not be considered. Responses subject to percentage price increases will not be considered.

3.5. Additional Specifications. Respondents guarantee and warrant that their RFP responses will meet or exceed all specifications of this RFP. No substitutions or cancellations are permitted without prior

written approval of the DOI. DOI will not be bound by any oral statements or representations contrary to the written specifications of this RFP.

3.6. Time for Submission. Responses to this RFP must be time stamped by the DOI *before* the hour and date specified on page 1 of this RFP. Late responses properly identified will be returned to Respondent unopened. Late responses will not be considered under any circumstances. DOI reserves the right to evaluate responses submitted prior to the stated deadline as they are received.

3.7. DOI's Address. Responses should be addressed to Kathleen Healey, Alabama Department of Insurance. Responses sent by the U.S. Postal Service should use P.O. Box 303351, Montgomery, Alabama 36130-3351. Responses sent by a delivery service, which require a street address, should use 201 Monroe Street, Suite 1700, Montgomery, AL 36104.

3.8. No Alterations or Withdrawals of Bid after Deadline. Responses cannot be altered or amended after the deadline specified on page 1 of this RFP. Any alterations made before this deadline must be initialed by Respondent or Respondent's authorized agent. No responses can be withdrawn after the deadline without approval by the DOI.

3.9. Facsimile Response. Facsimile responses to this RFP **will not** be accepted. The State shall not be responsible for failure of electronic equipment or operator error. Responses that are late, illegible, incomplete, or otherwise non-responsive will not be considered.

3.10. Mail Preferred; DOI Not Liable. RFPs are issued to allow sufficient time for receipt of the preferred mail response. DOI is not responsible for responses received late, illegible, incomplete, or otherwise non-responsive due to failure of electronic equipment or operator error.

3.11. Tie Bids. Consistent and continued tie bidding could cause rejection of responses by the DOI and/or investigation of antitrust violations.

3.12. Attachments. DOI will not consider any terms and conditions or other documents attached to a response as part of the RFP Response unless the Respondent specifically and prominently refers to each of them on page 1 of the RFP Response. In addition, see Sections 3.2, 3.13, 3.14, 3.15, and 3.16 of this RFP regarding limitations on terms and conditions or attachments to Respondent's RFP Response. DOI reserves the right, in its sole discretion, to reject any Respondent's terms and conditions or other documents or attachments as part of Respondent's RFP Response.

3.13. Unacceptable Terms in Respondent's Response. Respondent's Response to this RFP, including any attachments thereto, will be incorporated as part of the executed contract to the extent the response does not conflict with this RFP. Any terms submitted by Respondent, regardless of whether such terms conflict with this RFP and/or contract, which conflict with or are in violation of Alabama law, are void regardless of whether DOI accepts such terms or is deemed to have accepted such terms.

Unacceptable terms and conditions included in a Respondent's RFP response may result in disqualification of the response. If an award is made to such a Respondent, such terms and conditions are void and are not part of a contract between Respondent and DOI.

3.14. Incorporation of Entire RFP. This RFP will become part of the terms and conditions of all responses and any contract awarded as a result of this RFP. Any exception to the requirements of this RFP must be specifically noted in writing and explained by Respondent in its RFP response as a condition to becoming part of any subsequent contract. Any exceptions must be expressly agreed to by DOI in writing and by reference to the particular section of this RFP for which an exception is acceptable.

Notwithstanding any other agreement or provision of this RFP to the contrary, any exceptions are subject to the limitations described in this RFP.

3.15. Agreement between DOI & Respondent. If DOI makes a contract award as a result of the issuance of this RFP, the entire agreement between DOI and Respondent will consist of the contract executed by DOI and Respondent. This RFP and Respondent's response, subject to the limitations described in this RFP, will be incorporated as part of the executed contract.

3.16. Conflicting Provisions. Unless expressly authorized by the executed contract by reference to this section, in the event of conflicting terms or provisions between this RFP, the contract, and Respondent's response, this RFP and the executed contract will control.

3.17. Authority to Bind DOI; Execute Documents. Unless expressly delegated by the Commissioner of Insurance or unless expressly authorized by this RFP, only the Commissioner of Insurance or his delegate has authority to execute any documents or grant any permissions on behalf of DOI with respect to agreements between Respondent and DOI.

3.18. Specifications; Performance. Respondent will provide the services described in this RFP in the manner and quality described in the requirements of this RFP. Respondent's failure to conform to all requirements of this RFP may, among other things, result in DOI's cancellation of all or part of the contract.

3.19. Respondent's Costs. Respondent will bear all costs and expenses for the provision of services required by this RFP and any resulting contract. All such costs and expenses must be included in the prices detailed in the contract. No other amounts will be paid by DOI.

3.20. No Prepayments. DOI will not prepay for any services provided to DOI by Respondent in its performance under the contract.

3.21. Refunds. Respondent will promptly refund or credit within thirty (30) calendar days any erroneously paid funds that are not expressly authorized by the DOI.

3.22. Invoices. For all services that have been accepted by DOI, Respondent will submit two (2) copies of an invoice to DOI, Attn: Tisha Johnson. If by hand delivery or courier, deliver to: 201 Monroe Street, Suite 1700, Montgomery, AL 36104. If by U.S. Mail, deliver to P.O. Box 303351, Montgomery, AL 36130-3351. Invoices that are received by DOI which are otherwise received in non-conformance with all of the requirements of this RFP or the contract will be returned to Respondent unpaid or will be held by DOI until proper documentation is submitted.

3.23. Termination and Cancellation Circumstances. The contract may be terminated or cancelled in any one of the following circumstances:

3.23.1. Mutual Agreement. Upon the mutual written agreement of DOI and Respondent, the contract may be terminated or cancelled.

3.23.2. Breach of Material Term. Either party may, upon giving thirty (30) days written notice identifying specifically the basis for such notice, terminate the contract for breach of a material term or condition of the contract, provided the breaching party shall not have cured such breach within the thirty (30) day period. In the event of such termination, Respondent shall be paid for all services provided prior to the date of the termination.

3.23.3. Bankruptcy. Upon the filing of a petition for bankruptcy, or upon the judgment of bankruptcy or insolvency by or against the Respondent, DOI may terminate the contract for cause without notice. Such termination will be effective upon the date of such filing or upon the date of such judgment.

3.23.4. Availability of State Funds; Legislative Action; Necessity of Performance. The contract is subject to termination or cancellation, without penalty to DOI, either in whole or in part, subject to the availability of state funds. DOI is a state agency whose authority and appropriations are subject to actions of the Alabama Legislature. If DOI becomes subject to a legislative change, revocation of statutory authority, or lack of appropriated funds that would render the services to be provided by Respondent under the contract impossible or unnecessary, the contract will be terminated or cancelled and be deemed null and void. In the event of a termination or cancellation under this section, DOI will not be liable to Respondent for any damages that are caused or associated with such termination or cancellation and DOI will not be required to give notice. In the event of such termination, Respondent shall be paid for all services provided prior to the date of the termination.

3.23.5. Reservation of Remedies. DOI expressly reserves any and all legal remedies to which it may be entitled to collect any and all damages directly or indirectly resulting from breach of contract by Respondent or any of its agents, representatives, subcontractors, employees, or any other party acting on behalf of the Respondent. DOI reserves the right to pursue any and all applicable rights and remedies if the contract is terminated for any reason and DOI expressly waives no such rights or remedies.

3.24. Substitute Services. In the event DOI terminates or cancels the contract for Respondent's nonperformance or for cause, DOI may procure, upon such reasonable terms and in such manner as it deems appropriate, substitute services similar to those so terminated or cancelled and Respondent will be liable to DOI for any excess or additional costs incurred by DOI in acquiring such services plus court costs and attorneys' fees. DOI's recovery of costs under this section is in addition to any other remedies available to DOI under the contract and/or under applicable law.

3.25. Notice of Termination or Cancellation Delivery. Any termination by DOI of the contract that requires notice may be accomplished by DOI's delivery to Respondent of a notice of termination or cancellation specifying that the contract is terminated or cancelled.

3.26. Termination or Cancellation Effectiveness. Unless otherwise specified in this RFP or the contract, any termination or cancellation of the contract will be effective upon the date specified in DOI's notice of termination or cancellation.

3.27. DOI Not Liable Upon Termination. If the contract is terminated for any reason, DOI and the State of Alabama will not be liable to Respondent for any damages, claims, losses or any other amounts arising from or related to any such termination.

3.28. Hours. If requested by DOI, Respondent will provide delivery on-site at DOI five (5) days a week, Monday through Friday, 8:00 AM to 5:00 PM, excluding weekends and State of Alabama holidays.

3.29. Respondent Assignments. Respondent hereby assigns to DOI any and all claims for overcharges associated with this contract that arise under the antitrust laws of the United States 15 U.S. Code §§ 1, et seq., and that arise under the antitrust laws of the State of Alabama.

3.30. DOI's Tax Exemption; Payment of Taxes by Respondent. Respondent will be responsible for payment of all taxes, including, but not limited to, state, federal, foreign, or local taxes, including income

tax, withholding tax, social security tax, pension contributions, and any other form of payroll or other taxes, for all Respondent's Employees. At Respondent's sole cost and expense, Respondent will secure and maintain any and all insurance premiums that are required by the contract or are necessary to protect the interests of the State of Alabama and DOI or that Respondent may need or desire for Respondent or Respondent's Employees.

3.31. Warranties. Notwithstanding any disclaimers in any RFP response or other Respondent document and notwithstanding any other provision of this RFP or the contract to the contrary, Respondent warrants and guarantees that all services shall meet all specifications of the executed contract and Work Orders, if any, including but not limited to this RFP.

3.32. Limitation on Authority; No Other Obligations. Respondent will have no authority to act for or on behalf of DOI or the State of Alabama except as expressly provided for in the executed contract; no other authority, power or use is granted or implied. Respondent may not incur any debt, obligation, expenses, or liability of any kind on behalf of DOI or the State of Alabama.

3.33. No Other Benefits. Respondent has no exclusive rights or benefits other than those set forth herein.

3.34. Parties Bound. The contract will be binding upon and inure to the benefit of DOI and Respondent and to their respective heirs, executors, administrators, legal representatives and successors.

3.35. Assignment. Respondent may not assign this RFP and any resulting contract, in whole or in part, and may not assign any right or duty required under the RFP or awarded contract without the prior written consent of DOI. Respondent will have no right to transfer, assign, or pledge as security for a debt all or any part of Respondent's interest in any resulting contract without the prior written consent of DOI. Any attempted assignment in violation of this section shall be void and without effect.

3.36. Time Limits. Time is of the essence in any resulting contract and accordingly all time limits will be strictly construed and rigidly enforced.

3.37. No Waiver. No provision of this RFP and/or contract will constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to DOI as an agency of the State of Alabama or otherwise available to DOI. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities detailed in the contract or otherwise available to DOI by law will not constitute a waiver of said privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. DOI does not waive any privileges, rights, defenses, remedies, or immunities available to DOI as an agency of the State of Alabama or otherwise available to DOI.

3.38. Confidentiality of Information. Respondent will not disclose to anyone, directly or indirectly, any work-papers, data, databases, materials, information or reports in any form that are designated as confidential or that are or could be construed as confidential or subject to restrictions on disclosure under applicable law ("Confidential Information") and received from DOI or such Confidential Information to which Respondent has access as a result of or in the course of performing services under this Contract without the prior written consent of DOI. This confidentiality provision does not apply to information required to be disclosed by law, legal process, and applicable professional standards or to information disclosed in connection with litigation relating to the contract or Respondent's performance. Each party will protect the confidentiality of the Confidential Information in the same manner that it protects the confidentiality of its own proprietary and confidential information of like kind. Nothing in this RFP and any resulting contract shall prohibit or limit either party's use or disclosure of information (including, but not limited to, ideas, concepts, know-how, techniques, and methodologies) (i) previously known to it

without obligation of confidence, (ii) independently developed by it, (iii) acquired by it from a third party which is not, to its knowledge, under an obligation of confidence with respect to such information, or (iv) which is or becomes publicly available through no breach of the contract. In the event either party receives a subpoena or other validly issued administrative or judicial process requesting Confidential Information, it shall provide prompt notice to the other of such receipt. The party receiving the subpoena shall thereafter be entitled to comply with such subpoena or other process to the extent permitted by law, provided, however, that the Respondent is acting as DOI's agent in providing services under the contract and will defer to DOI's decision as to compliance with and other matters related to such subpoena or other process. Within three (3) days of receipt, Respondent will refer to DOI any third party requests, received directly by Respondent, for information to which the Respondent has access as a result of or in the course of performing services under the contract.

3.39. Personal Injury; Property Damage. Respondent will be liable for any bodily injury or personal injury to any individual caused by any of Respondent's employees during any assignment under the terms of the contract. In the event of loss, destruction or damage to any DOI or State of Alabama property by Respondent's employees, Respondent will indemnify DOI or the State of Alabama and pay to DOI or the State of Alabama the full cost of repair, reconstruction or replacement, at DOI's election. Respondent will reimburse DOI or the State of Alabama for such property damage within thirty (30) calendar days after receipt of DOI's notice of amount due to Respondent. This provision survives the termination or expiration of any awarded contract.

3.40. Indemnification. Respondent will indemnify, save and hold harmless DOI, its officers, agents, and employees, and the State of Alabama, its officers, agents, and employees from any and all claims, actions, suits, demands, damages, losses, costs, expenses, judgments, or any other amounts, including, but not limited to, attorneys' fees and court costs, arising from or related to acts, errors, or omissions of Respondent or Respondent's employees. DOI will not indemnify, save and hold harmless Respondent for any amounts for any purposes. This provision survives the termination or expiration of any awarded contract.

3.41. Patent, Trademark, Copyright Infringement. Respondent will defend and indemnify DOI and the State of Alabama against claims of patent, trademark, copyright, trade secret or other proprietary rights, violations or infringement to the extent arising from DOI's or Respondent's use of or acquisition of any services, reports, materials, information, or other items provided to DOI by Respondent or otherwise to which DOI has access as a result of Respondent's performance under the contract, provided that DOI will notify Respondent of any such claim within a reasonable time of DOI's receiving notice of any such claim. Respondent will pay all reasonable costs of DOI's counsel. If Respondent is notified of any claim subject to this section, Respondent will notify DOI of such claim within five (5) working days of such notice. If DOI determines that a conflict exists between its interests and those of Respondent or if DOI is required by applicable law to select separate counsel, DOI will be permitted to select separate counsel and the reasonable costs of such DOI counsel will be paid by Respondent. Respondent will make no settlement of any such claim without DOI's prior written approval. Respondent will reimburse DOI and the State of Alabama for any claims, damages, costs, expenses or other amounts, including, but not limited to, attorneys' fees and court costs, arising from any such claim.

3.42. Support Documents; Inspection of Records. Respondent will maintain and retain required records and supporting fiscal documents adequate to ensure that claims for contract funds are in accordance with applicable State of Alabama requirements. These records and supporting fiscal documents will be maintained and retained by Respondent for a period of four (4) years after the date of submission of the final invoices or until a resolution of all billing questions, whichever is later. Respondent will make available at reasonable times and upon reasonable notice, and for reasonable periods, work papers, reports, books, records, and supporting documents kept current by Respondent

pertaining to any awarded contract for purposes of inspecting, monitoring, auditing, or evaluating by DOI or the State of Alabama.

3.43. Notices. Any written notices required under the contract will be by either hand delivery to Respondent’s office or to DOI’s office, 201 Monroe Street, Montgomery, AL 36104 or by U.S. Mail, certified, return receipt requested, addressed to P.O. Box 303351, Montgomery, Alabama 36130-3351. Notice will be effective on receipt by the affected party. DOI and Respondent agree that either party may change the designated notice address in this section by written notification to the other party.

3.44. Force Majeure. DOI may grant relief from performance of the contract if Respondent is prevented from compliance and performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of Respondent. The burden of proof for the need of force majeure relief under this section will rest upon Respondent. To obtain release based on force majeure, Respondent must file a written request with DOI.

3.45. Subcontracts. Respondent must certify that all individuals listed in the “Pricing Form” required by Section 4.3 of this RFP are employees, members or partners of the Respondent. None of the services to be provided by the Respondent pursuant to the resultant Agreement (primary contract) shall be subcontracted or delegated to any other organization, subdivision, association, individual, corporation, partnership, limited liability company, group of individuals, or other such entity without the prior written consent of the DOI. Any subcontract to which the DOI has consented shall be in writing attached to the primary Agreement and made a part thereof and shall in no way alter the primary Agreement terms and conditions, to include, but not limited to, providing the same access to books, documents, and records provided for in Section 3.42 of this RFP. No subcontract or delegation shall relieve or discharge the contractor from any obligation, provision or liability under the primary contract. Respondent expressly understands and acknowledges that, in entering into any approved subcontract, the DOI and the State of Alabama is not liable to any subcontractor of Respondent for any amounts. Respondent will retain responsibility for ensuring that the performances rendered under any subcontracts comply with all requirements of this procurement as if such performances were rendered by Respondent.

3.46. Title and Ownership. DOI and the State of Alabama will receive and Respondent will convey to DOI and the State title, ownership and licenses, whichever is applicable to all services under the contract.

3.47. Severability. If any provision of the contract will, for any reason, be held to violate any applicable law, and so much of the contract is held to be unenforceable, then the invalidity of such a specific provision will not be held to invalidate any other provisions; such other provisions will remain in full force and effect unless removal of said invalid provisions destroys the legitimate purpose of the contract, in which event the contract will be canceled.

3.48. Entire Agreement. Except as expressly provided otherwise herein, the contract will represent the entire agreement by and between DOI and Respondent regarding the subject matter of this RFP. This agreement may not be changed except by DOI’s written contract amendment or otherwise by the mutual written agreement of the parties.

3.49. Acceptance of Terms. By submitting a response, acknowledging and accepting the contract, or delivering any services under the contract, Respondent acknowledges, accepts and agrees to all terms of the contract, including, but not limited to, this RFP.
