If you have more than one endowment care trust account for the same cemetery authority, please contact the Department (334)240-4420.
Report Questions

If you have changed trustees since the last report submitted, you should answer "Yes" to this question. Another question will appear asking for the date you received approval, select the appropriate date from the calendar provided or type in the date using the MM/DD/YYYY format.

If there has not been a change, respond "No."
Endowment Care Balance Information

Most of the information listed below should come from the Annual Endowment Care Trust Statement or the Endowment Care Trust Statement for the month of December of the year you are reporting on.

**Year End Trust Market Value:** This number should be found on your trust statement labeled as such.

**Total Trust Deposits since May 1, 2002** (include the first deposit and ALL deposits thereafter): This is the amount of all deposits made since the law became effective on May 1, 2002. If you acquired the cemetery authority and it already had a trust, the amount reported should include the amount in trust prior to the acquisition as well as subsequent trust deposits you have made. This number may correspond to the "Principal" reported on the trust statement.

**Total Trust Deposits in the Current Year:** This is the total amount you deposited for the entire report year. This amount should be reflected on the annual endowment care trust statement and might be included on the endowment care trust statement for the month of December of the year you are reporting.

**Interest and Dividends Earned in the Current Year:** This amount should be all interest and dividend deposits into the trust account within the prior calendar year.

**Total Withdrawals in Current Year:** This amount should be any withdrawals made from the trust account within the prior calendar year. It may be referred to as "Distributions."

**Trust Agreement Approval Date:** Select the date your trust agreement was approved. If you are a participant under a Master Trust and have an executed participation agreement, then the approval date should be for the master trust agreement. If you are unsure of this date or cannot locate the trust agreement approval, contact your trustee or the Department.
YES/NO QUESTIONS REGARDING COMPLIANCE WITH THE PRENEED FUNERAL AND CEMETERY ACT

These questions require a "Yes" or "No" response. They seek to confirm compliance with ALA. CODE§ 27-17A-50, which states:

(b) The net income from the endowment care fund, to the extent that the same is distributed from the fund, shall be used exclusively for covering the costs of endowment care of the cemetery.

(c) For the purposes of this section, net income does not include realized or unrealized capital gains or losses. All realized capital gains and losses shall be recorded to corpus, which is the sum of deposits made by a cemetery authority into an endowment care fund, pursuant to Section 27-17A-49, and all realized capital gains or losses. Capital gains taxes, if any, may be paid from the corpus. Unrealized capital gains and losses, if any, shall be recorded as an adjustment to the fair market value of the endowment care fund.

Mausoleum Questions

If you respond “Yes” to the mausoleum question, additional questions will appear. The questions should be answered based on your mausoleum plans and records.

Has the cemetery pre-sold any crypts/niches in its planned mausoleum or columbarium? □ Yes □ No

What was the date of the first pre-sale (month/date/year)?

How many spaces have been pre-sold?

What is the anticipated date of completion (month/date/year)?

If you respond "No," move to the Interment Right Sales section.
GRAVE/LAWN CRYPT SALES & MAUSOLEUM OR COLUMBARIUM CRYPT/NICHE SALES

The information for your interment right sales should come from your property sales log, which is required to be updated quarterly, at the minimum.

Only include Current Year* Information in the chart above

Has the Cemetery Authority made all current year required deposits in the time frame required by the law?  ○ Yes  ○ No

Is the Cemetery under an Order or Agreement with the Department to make additional EC Trust deposits?  ○ Yes  ○ No
Interment Right Sales

These totals should only include contracts/rights sold during the Current Year, which is the year for which you are reporting.

It should not include any contracts written prior to the Current Year that were paid in full during the Current Year.

These numbers will usually not come from your Annual Trust Statement.

Example:
The COA sold 5 Grave/Lawn Spaces for $1050.00 and 2 Mausoleum Crypts for $600.

Two of the Grave Spaces and one Crypt sold in 2018 (Current Year) were paid in full and four Grave Spaces sold two years before were paid in full.

You would only report the contracts paid-in-full for the 2018 contracts in this section. Deposits for Paid-in-full contracts issued prior to the Current Year would only be reported in Total Trust Deposits.

See Example below.
Endowment Care Trust Deposit
Information

(Per ALA.CODE Section 27-17A-49(a), Endowment Care
trust deposits shall be made “...not more than four
months after the close of the month in which the total
or final payment on the sale has been received...”)

This section is concerned with the timing of trust
deposits. Some cemeteries trust immediately upon an
interment right sale, whether it is paid in full or not,
while others trust within the “four-months of receipt”. However, some are inconsistent. Using your updated
preneed sales log and your trust records, respond to
the questions regarding the timing of paid in-full
interment rights and the related endowment care trust
deposits.

You should answer the next questions truthfully. Based
on your response, additional questions or text boxes
may appear for completion.

Has the Cemetery Authority made all Current Year required
deposits in the period required by the law? If your response is "No"
then a box will appear for you to explain your answer.

Has the Cemetery Authority made all current year required deposits in the time frame required by the law?  Yes  No

Please Explain:
Questions Continued

Is the Cemetery under an Order or Agreement with the Department to make additional EC Trust deposits?
If your response is "Yes," then a box will appear for you to provide the date of the agreement.

Has the Cemetery Authority complied with the terms of the Order or Agreement?
If your response is “No,” then a box will appear for you to explain your answer.
The next question is regarding preneed active pre and post-law.

These questions are only for the cemetery for which the report is being filed, not a separate entity that has a common owner. They simply require a "Yes" or "No" answer.

Prior to the effective date of the Alabama Preneed Funeral and Cemetery Act, May 1, 2002, did the Cemetery Authority engage in the sale of Preneed Contracts?

☐ Yes ☐ No

After the Alabama Preneed Funeral and Cemetery Act went into effect on May 1, 2002, has the Cemetery Authority engaged in the sale of Preneed Contracts?

☐ Yes ☐ No
