RE: Alabama Department of Revenue insurance certification form MVD-1 (used for licensed motor vehicle dealers and others)

This Bulletin addresses questions raised by insurance producers about whether it is permissible to execute form MVD-1 developed by the Alabama Department of Revenue. The MVD-1 is an "insurance certification form" relied upon by the Department of Revenue for evidence of the insurance coverage required of licensed motor vehicle dealers, motor vehicle reconditioners, motor rebuilders, and motor vehicle wholesalers under Ala. Code § 40-12-392(e). That subsection requires such licensees to "maintain blanket motor vehicle liability insurance coverage on vehicles operated on the public streets and highways of this state, including vehicles in dealership inventory," and to provide evidence of the coverage to the Commissioner of Revenue.

The most recent version of the MVD-1 (09.2012 revision) is attached. It may also be viewed at https://dealerlicense.mvtrip.alabama.gov/help.pdf. This version reflects the results of cooperation between the Department of Insurance and the Department of Revenue to resolve questions raised by producers and insurers.

The position of the Department of Insurance is that this version of the MVD-1 may permissibly be used by insurers or producers acting for insurers on behalf of customers required to furnish evidence of coverage to the Department of Revenue for purposes of Ala. Code § 40-12-392(e).
