**BULLETIN NO. 2017-03**

TO: Insurers writing health insurance in Alabama

FROM: Jim L. Ridling  
Commissioner of Insurance 

DATE: April 28, 2017

RE: **CORRECTED: Age Curve for the Individual and Small Group Health Insurance Market**

EFFECTIVE: Immediate

---

**NOTE: Bulletin No. 2017-02 which was released April 27, 2017 included mislabeled charts and should not be used as a reference. This Bulletin replaces Bulletin No. 2017-02. The charts have been corrected.**

In the Annual Notice of Benefit and Payment Parameters for 2018 and 45 CFR 147.102(d), the U.S. Department of Health and Human Services defined uniform age bands for rating purposes under section 2701 of the Public Health Service Act. The notice and regulation also allowed States to establish a uniform age rating curve for the individual market, small group market or both markets. The selected age rating curve would specify the relative distribution of rates across all age bands.

For the 2018 plan year, Alabama establishes the following for age rating purposes:

- Individual Market shall use Table 1 attached to this Bulletin
- Small Group Market shall use Table 2 attached to this Bulletin.
